### Quick Tips

- Every active employee requires an Employee Pass/ID card to receive their privileges.
- Employees are entitled to their privileges when they are active employees.
- Discounted tickets are not for resale.
- Have fun and share your experiences!

## EMPLOYEE PASS

All **Seasonal, Year-Round and Volunteer** employees will receive an Alterra Mountain Pass as their employee identification and are required to have one during their employment. Employees are required to present their Alterra Passes to validate their eligibility to receive their discount or privilege and attend employee events.

All year-round employees hired any time of the year use an Alterra Mountain Pass as their Employee Pass and provide access to all other employee discounts and privileges at Blue Mountain and Alterra Mountain Company owned resorts.

Both **winter and summer seasonal** employees are entitled to the resort privileges during the season in which they work (i.e., winter seasonal employees enjoy the winter perks, summer seasonal employees enjoy the summer perks). Seasonal Alterra Passes will automatically be deactivated at the end of season.

**Volunteers** will also receive an Alterra Mountain Pass for the season in which they are volunteering, as their identification to receive their discounts and privileges. Dependents of volunteers are not eligible to receive resort privileges or discounts. Each season they will also be given a total of 6 vouchers for 8 hour lift tickets, three will be distributed immediately following the Christmas holidays, and the remaining three following Family Day weekend. To collect the voucher codes please reach out to your departmental manager.

**Occasional** employees (including Occasional, Holiday Helpers and Co-Op students) do not receive an Alterra Mountain Pass. Holiday Helpers and Occasional workers will receive one voucher for a complimentary lift ticket for every shift worked. To collect the voucher codes for your complimentary tickets, please reach out to your departmental Manager. **Co-Op students** will receive 6 complimentary 8 hour lift tickets per season, all to be distributed upon successful completion of Co-Op program.

Any employees who leave Blue Mountain for any reason (including end of season) must return their Employee Pass to their department leader. In the event of early termination of employment, employees are required to return their pass and their dependents' passes to Human Resources or their leader. If the employee does not return their pass or their dependents' pass(es), the employee will be required to pay an administration fee for each pass based on the following fee schedule:

- Unreturned Alterra/Blue Mountain (Seasonal) Employee Pass - \$100.00
- Unreturned Alterra/Blue Mountain (Seasonal) Dependent Pass - \$100.00
